2.0 Student Leadership Report - Elena Bakker

- We had members of our student council help out for the grade nine orientation day and the first day of school which was grade nine only. We offered help to new students however we could
- September 7 to 10 was our week of welcome! We run this every year, and it's a week full of fun events and theme days to get everyone to show off their school spirit. Some notable events included dress up days, food sales and giveaways, and various outdoor activities like relays and parachute games.
- We started and finished the application process for students interested in joining student council. The process includes a written component, teacher references and an interview. Overall it was a huge success and we've got five new members with whom I'm very excited to work.
- This week we are starting meetings with our newly completed team to brainstorm ideas and start planning some of our bigger events
- And finally today we've started a thanksgiving food drive. It runs until October 7, and all donations will go towards the mustard seed. Students can bring in non perishables of any kind, but we're especially looking for things of the thanksgiving variety
