

AGENDA
Gateway Christian School
School Council Meeting
March 19, 2024

The School Council is an advisory council to the School Principal and the elected Board of Trustees with respect to matters pertaining to the School.

As we gather tonight at Gateway Christian School, we would like to thank God for all of creation. Here south of the Red Deer River, Gateway is on land that is known as Treaty 7 territory. First Nations people used the Red Deer River to follow and hunt wildlife - it was a place of provision. Later, the river was a landmark for First Nations to meet, trade, and come to agreements. The Métis continued on with these traditions and the river was a place of community building and justice seeking. We acknowledge the traditions of First Nations, Métis, and Inuit people whose footsteps have marked these lands for thousands of years, and we ask God to help us to use it in a way that honours Him, and blesses those around us.
