At Lindsay Thurber the safety of students and staff is our #1 priority. As a result over the first two weeks of the school year we have and will continue to conduct safety drills. These will include fire & lockdown drills. We also wanted to make parents and students aware of the threat assessment protocol through the distribution of the [Fair Notice](#) brochure. This brochure will outline the process and procedures used to assess threats at all levels.

## DYEVERSIY

We would like to thank all of the amazing sponsors who helped make our 2024 DYEversity event happen. Even with the changes to the event due to the weather, it was a great day bringing everyone together to celebrate our school diversity.
