Reports

- Student Support Room - Allison Christensen. The space is used as tool to help students regulate their emotions and bodies throughout the day. Allison also helps with peer mediation. Recently, a breakfast program has been added for students use if it is needed.
- Principal's Report. We have about 430 kids, down from 460 last year. We have a total of 43 staff members. There will be a weekly memo for parents. The platform that is being used allows the memo to be translated to many different languages. The breakfast program with Allison and Kersten has been a welcome addition. The food drive was successful and raised 1 920 pounds of food. The grade 4s and 5s did great at the Dawe Run. We had a lot of top finishers. Orange Shirt day will be on September 27 as there is no school on September 30th. Toonies for Terry are currently being collected and the Terry Fox Run will be on September 26th.
- Hot Lunch. Typically done every second week. The mark up on the entree is about 50 cents and helps cover the extra lunches that are ordered to support students who would otherwise never get a hot lunch. Lara is looking for some volunteers to help with hot lunch.
