- Alien Inline - Crystal Kjelsberg - Bill Wotherspoon sent email to check if we are still interested in the program this year. Our regular program incorporates 3 lessons for each class. We can teach 5 lessons per day so that would take 10.8 days to complete. If you decided to only give each class 2 lessons then we would b looking at 7.2 days. The lessons are usually 55 to 60 minutes in length. Our charge in Red Deer is \$650 per day plus gst.

Three lessons per class = \$7150 plus gst

Two Lessons per class = \$4680 plus gst

At this time we will email that we will not be moving forward with Aline in Line for this year. Due to an increase in cost. School council may look at it in the future.

- [Alberta School Council Engagement Grant](#) - at [Joe Social Media](#) for the fall. A parent session for parents about healthy social media for kids. This was tabled for this year if we received the grant money again
